

Dear Parents/Guardians:

Every year GFA seems to have difficulty collecting birth certificates, medical, sports, dental, eye forms, etc. for students. All information has to be reported to the Illinois State Board of Education by law.

For the upcoming 2020-21 school year, GFA is going to have registration dates for parents/guardians to bring in ALL forms prior to the start of school in August.

The following will be dates to bring in the forms that will be sent out in the Orientation packages the week of June 12th. This is going to save a lot of time and confusion on the first day of school and more concentration on Orientation with your child's teacher/teachers.
